Machine Weight	12.5 lbs. (5.7 kg)	
Shipping Weight	25 lbs. (11.3 kg)	
Warranty	1 Year Parts, 1 Year Labor, 8 Years on Tank	

PRODUCT

- High power features 2 stage vac motor
- Rugged roto-molded construction resists impacts and abuse
- 1 1/4 inch (3.175 cm) tool kit includes stretch hose, telescoping wand, combination floor tool, and 3 hand tools
- 1 1/2 inch (3.8 cm) tool kit includes stretch hose, 2-piece double curved aluminum wand, 14 in (35.5 cm) carpet tool, and 2 hand tools

EASE OF USE

- Top-fill bag resists clogging
- Easier to maneuver than upright or tank vacuums in congested areas
- Comfortable shoulder harness and waist belt distributes weight evenly

- Telescopic, or 2 piece wands are easy to store and transport
- Stretch hose is light weight, and less cumbersome than standard convoluted vac hoses
- Swivel hose adapter allows left or right hand operation

PRODUCTIVITY

- Extra-powerful 2 stage vac motor provides the additional power for heavier debris recovery
- Variety of tools can be attached quickly for any application
- 50 ft. (15.2 m) electrical cord gives operator a larger working radius
- 2-layer, micro-lined paper filter bag helps to control airborne dust

SAFETY

- 2-layer, micro-lined dust bag improves air quality
- Shoulder harness and waist belt combination reduces stress on operator's back
- Hospital grade electrical plug features hardened ground prong for operator safety
- Light weight tools reduce operator fatigue

OPTIONS/ACCESSORIES

- Cleaning tools available for overhead or wall applications
- Permanent cloth filter bag
- H.E.P.A. filter kit #10618A
- 400 Hz airline kit #650904
- Contact Clarke[®] Distributor for complete line of vacuum tools
